

LINXS Event - Membrane Protein workshop: Structural Resolution of Membrane Proteins: From Expression to Sample Preparation

Tuesday 25 May 2021

Session 1 - Chair: Erika Toth (12:35-13:55)

time	[id] title	presenter
12:35	[24] Keynote talk - Recombinant membrane protein production in microbial hosts	BILL, Roslyn
13:15	[25] Contr. talk - The baculovirus/insect cells system	DRILLER, Jan H
13:35	[26] Contr. talk - Aquaporins – expression, purification and characterization	HEDFALK, Kristina
