

LINXS Event - Membrane Protein workshop: Structural Resolution of Membrane Proteins: From Expression to Sample Preparation

Tuesday 25 May 2021

Session 3 - Chair: Maria Gourdon (15:30-16:30)

time	[id] title	presenter
15:30	[30] Keynote talk - Preparation of lipid flippases for cryo-EM studies	LYONS, Joseph
16:10	[31] Contr. talk - Production and purification of the K ⁺ -dependent P-Type ATPase KdpFABC for crystallization and cryo-EM	STOCK, Charlott
