

LINXS Event - Membrane Protein workshop: Structural Resolution of Membrane Proteins: From Expression to Sample Preparation

Wednesday 26 May 2021

Session 4 - Chair: Karin Lindkvist (09:00-10:20)

time	[id] title	presenter
09:00	[32] Keynote talk - Membrane protein purification and application in drug discovery	SNIJDER, Arjan
09:40	[33] Contr. talk - Towards Neutron crystallography of membrane proteins: Insights into production of deuterium-labelled OmpF	AGGARWAL, Swati
10:00	[34] Contr. talk - Production of Bcl-2 proteins involved in regulation of mitochondrial apoptosis	ÅDÉN, Jörgen
