

LINXS Event - Membrane Protein workshop: Structural Resolution of Membrane Proteins: From Expression to Sample Preparation

Wednesday 26 May 2021

Session 5 - Chair: Swati Aggarwal (10:30-11:50)

time	[id] title	presenter
10:30	[35] Keynote talk - Whipping GPCRs into shape for structure determination	TATE, Christopher G.
11:10	[36] Contr. talk - From expression to purified protein: a P4-ATPase for CryoEM studies	CHRISTIANSEN, LineMarie
11:30	[37] Contr. talk - Small-scale expression and purification of the cytokine receptor, MPL, using the ALiCE® cell-free system	TUCKER, Julie
