

# Workshop - Scattering and Dynamics of Flowing Soft Material

## Tuesday 11 December 2018

### Later afternoon session - Associated systems - Tera (15:30-16:10)

time	[id] title	presenter
15:30	[21] Contr. Talk 10 - Orientation distribution of cellulose nanofibrils and nanocrystals in channel flow	ROSEN, Tomas
15:50	[22] Contr. Talk 11 - SAXS on a chip: from alignment phenomena at interfaces to dynamics of phase transitions studied with microfluidic devices	SILVA, Bruno
