

Workshop - Scattering and Dynamics of Flowing Soft Material

Wednesday 12 December 2018

Late morning session - Associated systems - Tera (10:30-11:50)

| time | [id] title | presenter |
|-------|--|---------------------|
| 10:30 | [8] Keynote 11 - Development of μ RheoSANS and Investigating the Structure and Rheology of Complex Fluids at High Shear Rate | Dr. WEIGANDT, Katie |
| 11:10 | [9] Contr. Talk 12 - Effect of confinement on lyotropic lamellae dynamics under shear flow | Dr. GENTILE, Luigi |
| 11:30 | [10] Contr. Talk 13 - Studying slow dynamics with X-ray photon correlation spectroscopy | BIKONDOA, Oier |
